Introduction:

We promote the protection of personal information processed by public and private bodies; to introduce certain conditions so as to establish minimum requirements for the processing of personal information; to provide for the establishment of an Information Regulator to exercise certain powers and to perform certain duties and functions in terms of this Act and the Promotion of Access to Information Act, 2000; to provide for the issuing of codes of conduct; to provide for the rights of persons regarding unsolicited electronic communications and automated decision making; to regulate the flow of personal information across the borders of the Republic; and to provide for matters connected therewith.

Who we are:

South Ocean Electric Wire Company (Pty) Ltd, ("SOEW") was established in 1989 and is a subsidiary of the JSE listed company, South Ocean Holdings Ltd. SOEW operates an electrical cable manufacturing plant in Alrode, since relocating from King Williams Town in December 2001. A full range of low voltage electrical cables are manufactured, from typical household wiring to industrial steel wire armoured cables. These are sold to electrical wholesalers and distributors who supply the building, construction, mining and retail industries. Manufacturing processes utilise practices which minimize any potential harmful impact on the environment. SOEW is a medium sized manufacturer of electrical cables with its main market in the general-purpose market. SOEW produces a quality product and endeavours to maintain excellent customer relationships, meeting their short- and long-term requirements, which is supported by excellent service and competitive pricing. The products are delivered to customers by SOEW's fleet. Our products comply with standards laid down by the South African Bureau of Standards. The company was certified compliant with ISO 9001:2008 Management Standard in July 2009. The plant has quality control facilities and a testing laboratory to ensure that SOEW products perform optimally. The quality of all products are tested by the quality department team in its newly upgraded laboratory to ensure that SOEW products comply to the highest standards. SOEW employs approximately 400 people who represent the full complement of personnel necessary to sustain the operation and includes electrical, engineering, administration, marketing and semi-skilled personnel. The company consistently works to improve the skill levels of staff, encouraging growth and development. The company emphasises on-the-job training and provides Adult Basic Education and Training to staff members. The Health and Safety of its employees, is highly valued and they operate in a safe environment.
